

**2012
RESIDENTIAL HEATING AND COOLING SYSTEM APPLICATION**

ELIGIBLE CUSTOMERS

South Central Indiana REMC members are eligible for rebates when buying qualifying central air units, air-source heat pumps or geothermal systems. Ductless HVAC systems are not eligible for rebates at this time.

REBATE DETAILS

- Equipment must be installed by a licensed HVAC contractor, license number required for processing.
- SCI REMC issues rebates in the form of checks, not energy bill credits.
- Rebates are valid only for equipment **installed** between January 1 and December 31, 2012.
- Please submit one application per system.
- A copy of the sales invoice **must** be included with the rebate application.
- Incomplete applications will not be processed and will be returned to the member.
- Rebates will be processed immediately upon installation of DRU if applicable. Please keep a copy for your records.
- **Please notice there will be a difference in rebate amount if you do not allow the Demand Response Unit (DRU).**

DISCLAIMER

South Central Indiana REMC is not responsible if your HVAC contractor, builder or other party provides you with inaccurate information about the amount or conditions of the actual rebate. SCI REMC will not rebate equipment that has been mislabeled or misrepresented. SCI REMC reserves the right to inspect the HVAC system and its installation at the address indicated on the application form. SCI REMC is not responsible for any lost, late, stolen, ineligible, misdirected or postage due mail. Rebate qualifications and amounts are subject to change at SCI REMC's discretion and the program may end at any time.
