Member Support Needed to Control Costs

All of us are concerned about rising energy costs.

In response, South Central Indiana REMC will be initiating several new programs this year to assist with controlling wholesale power costs, and to help you reduce your monthly energy costs. We encourage you to consider how you can participate in these programs. By working together, we can make a difference.

[Read more](#) about SCI REMC's upcoming programs in the latest message for SCI REMC CEO Kevin Sump.

Register to Win \$500 Gift Certificate

Want to lower your monthly bill and line your pockets?

Sign up now for your chance to win a \$500 gift certificate at a Do It Best Store near you as you learn about home energy efficiency on lowermymonthlyelectricbill.com. This energy-saving website provides relevant and timely information about how you can reduce your energy costs.

New SCI Appliance Recycling Program

It doesn't make financial sense to keep an old fridge or freezer in your garage or basement--not when it uses up to four times the energy of newer models.

With SCI REMC's recycling program you'll get \$30, plus save up to \$150 a year in energy costs.
